

See You Later Alligator

By, Bill Haley and the Comets

See you later alligator
After 'while crocodile
See you later alligator
After 'while crocodile
Can't you see you're in my way now
Don't you know you cramp my style

When I thought of what she told me
Nearly made me lose my head
When I thought of what she told me
Nearly made me lose my head
But the next time that I saw her
Reminded her of what she said

See you later alligator
After 'while crocodile
See you later alligator
After 'while crocodile
Can't you see you're in my way now
Don't you know you cramp my style

I said wait a minute 'gator
I know you meant it just for play
I said wait a minute 'gator
I know you meant it just for play
Don't you know you really hurt me
And this is what I have to say

See you later alligator
After 'while crocodile
See you later alligator
So long, that's all, goodbye
