

Tea For Two – Vincent Youmans/Ceasar 1924 – Parody by John Brown

Picture us upon a ship
Just tea for two
And two for tea
Just me and you
And you and me we'll throw
Nobody near us to see us or hear us
We'll dress just like Indians
Express our opinions
On taxes with axes
We can't stand a moment more so,
Day will break and they'll awake
To see the tea just overtake
The harbor filled a brew for all to see

Tell King George that we won't pay
Tax on tea another day
Can't you see how happy we'll all be
